

ANURAG YADAV

UI/UX Developer

PROFILE

Dedicated and efficient Front-End Developer with proven skills, create and maintain a better code base for reusability. Passionate about learning and development with a desire to apply skills on a larger development project. Eager to tackle more complex problems and continue to find ways to maximize user efficiency. Front End developer built several full-scale projects in application layers, presentation layers, and databases. Seeking to further improve HTML5 and CSS3. Looking forward to learn Back-end technologies like node ExpressJS and MongoDB
